

Collection Volunteer

Supported by	Fundraising & Volunteer Coordinator
Commitment	Flexible as and when you are available. However, we wouldn't expect you to commit to any more than 2-3 collections per year.
Why we need your help	We receive no government funding for the work we do Rescuing Wildlife and Rehoming Domestic Animals. Therefore we rely totally on donations and legacies from the community. Our store/street collections are a large part of this.
What's in it for you	This is a great opportunity to get out and about and meet lots of people. You will be able to chat to them and raise awareness of what we do and you can go home knowing that you have made a real difference.
What will you be doing?	<p>You will be required to attend organised events in and around the Worthing area, collecting donations from the public and handing out literature to raise awareness of what we do.</p> <p>To advise the Fundraising Coordinator of any suggestions, questions or concerns you may have concerning your role.</p> <p>When necessary adhere to the Volunteer policies and procedures including H&S and Cash Handling</p>
